We are a Family Winery,

founded in 1989 by Félix Callejo. We are currently the second generation, Cristina, José Félix, Beatriz and Noelia Callejo who continue this exciting legacy.

** Winemakers of the year 2021 by Tim Akin MW.*

The experiences in other wineries of both José Félix (Petrus - France, 1999; Torres - Chile, 2000) and Noelia (Araujo - Napa, 2007 and 2010; Cobos - Mendoza, 2008) have provided the basis for further developing a philosophy dump on the soil and to be *Vignerons*.

In the year 2000, we began to work in an *ecological* way in our vineyards, a clean, respectful viticulture, full of life for the soils and therefore for our wines.

This step, *made us and makes us return to the past to be able to look to the future*. Observe our surroundings, the landscape that surrounds us, the culture that we have acquired thanks to our ancestors always linked to the world of wine and the authenticity of our land.

Flores

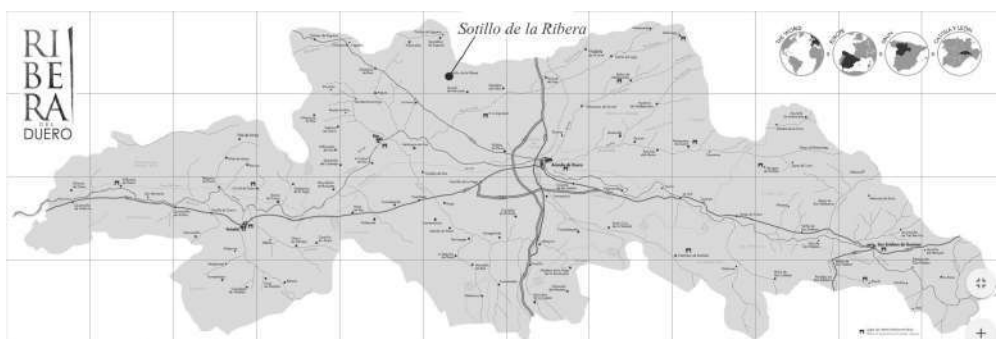

"The virtue of simple things"

Flores

“The search for freshness, for the primary are the reasons that lead us to make Flores de Callejo. Our commitment to freshness is expressed in this wine, fruitiness, liveliness and purity of the most raw Tinto Fino”

José Félix y Noelia Callejo
Winemakers

Our landscape is located in the village of **Sotillo de la Ribera**, province of Burgos, on the northern edge of the Duero river basin, in a privileged environment, due to its high **altitude (830 - 930 m)**, where the moors (*páramo*) of the highest areas, with limestone soils, give way as we follow the erosion of the valley, to gravel soils (old river beds), sandy areas in the pine area, and clays in the lower areas .

- Yield: *2,5 Kg/vine.*
- Manual picking in boxes of 12 kg capacity; two sorting table . Gravity system.
- Natural yeast.
- Aging: 5 months between barrels and tank.
- N° Bottles: 170.000
- N° Magnum: 8.000

Vintage 2021

INFORMATION

The 2021 vintage is characterized by regular temperatures and rainfall throughout the cycle in the vineyard. It can be considered typical in our area. The period from October 2020 to September 2021 had rainfall of 450 mm, well distributed in winter and spring, in such a way that the vineyard was able to endure the summer with hardly any rain.

Temperatures that are not excessively cold in winter, causes an advance of more than 10 days in budbreak and consequently the cycle is advanced until harvest.

We begin the harvest on September 23 with Albillo Mayor, followed by Tinto Fino and Garnacha.

The quality and health of the grape is exceptional, being able to produce wines with great finesse and character.
