We are a Family Winery,

founded in 1989 by Félix Callejo. We are currently the second generation, Cristina, José Félix, Beatriz and Noelia Callejo who continue this exciting legacy.

BODEGA Y VIÑEDOS F.CALLEJO
SOTILLO DE LA RIBERA

The experiences in other wineries of both José Félix (Petrus - France, 1999; Torres - Chile, 2000) and Noelia (Araujo - Napa, 2007 and 2010; Cobos - Mendoza, 2008) have provided the basis for further developing a philosophy dump on the soil and to become *Vignerons*.

In the year 2000, we began to work under *organic management* in our vineyards, a clean, respectful viticulture, full of life for the soils and therefore for our wines.

This step, *made us and makes us return to the past to be able to look to the future*. Observe our surroundings, the landscape that surrounds us, the culture that we have acquired thanks to our ancestors always linked to the world of wine and the authenticity of our land.

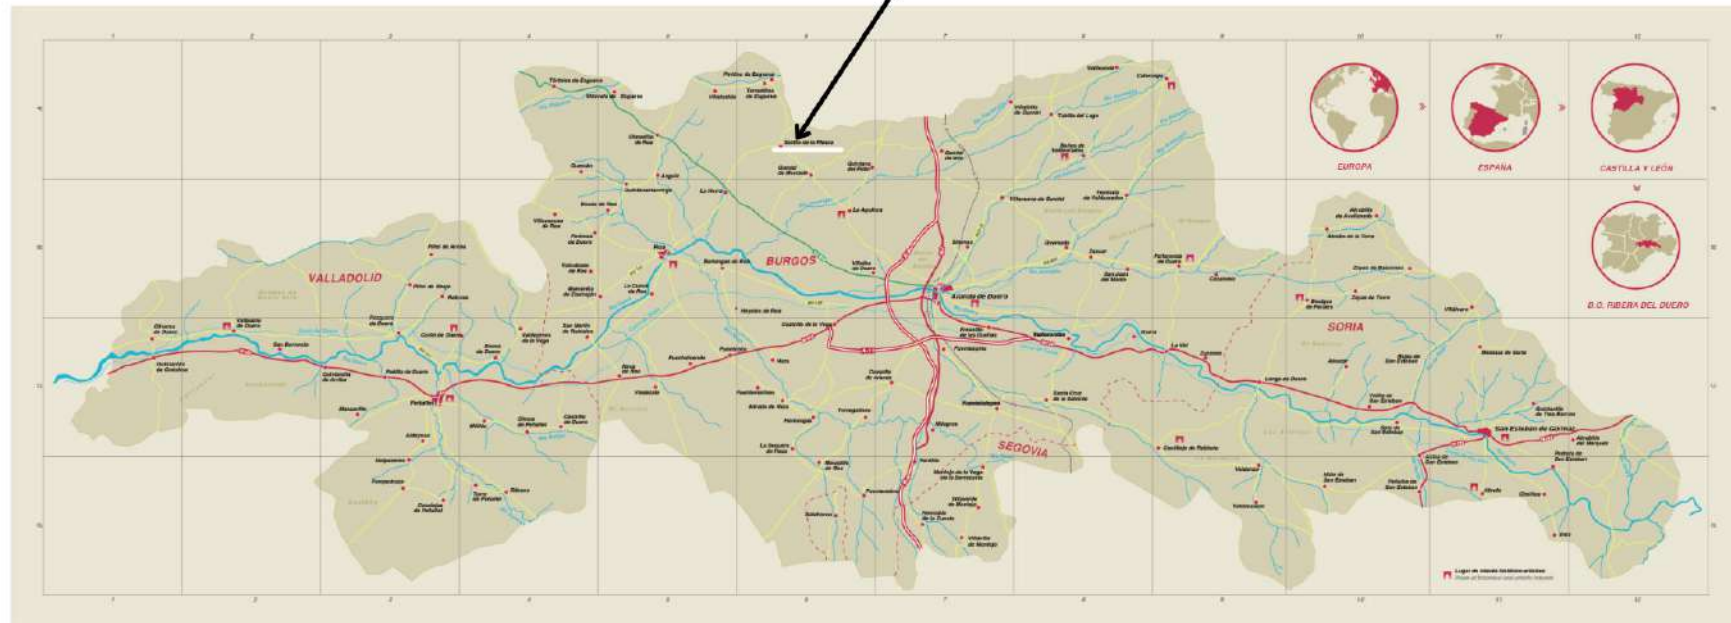

Our landscape,

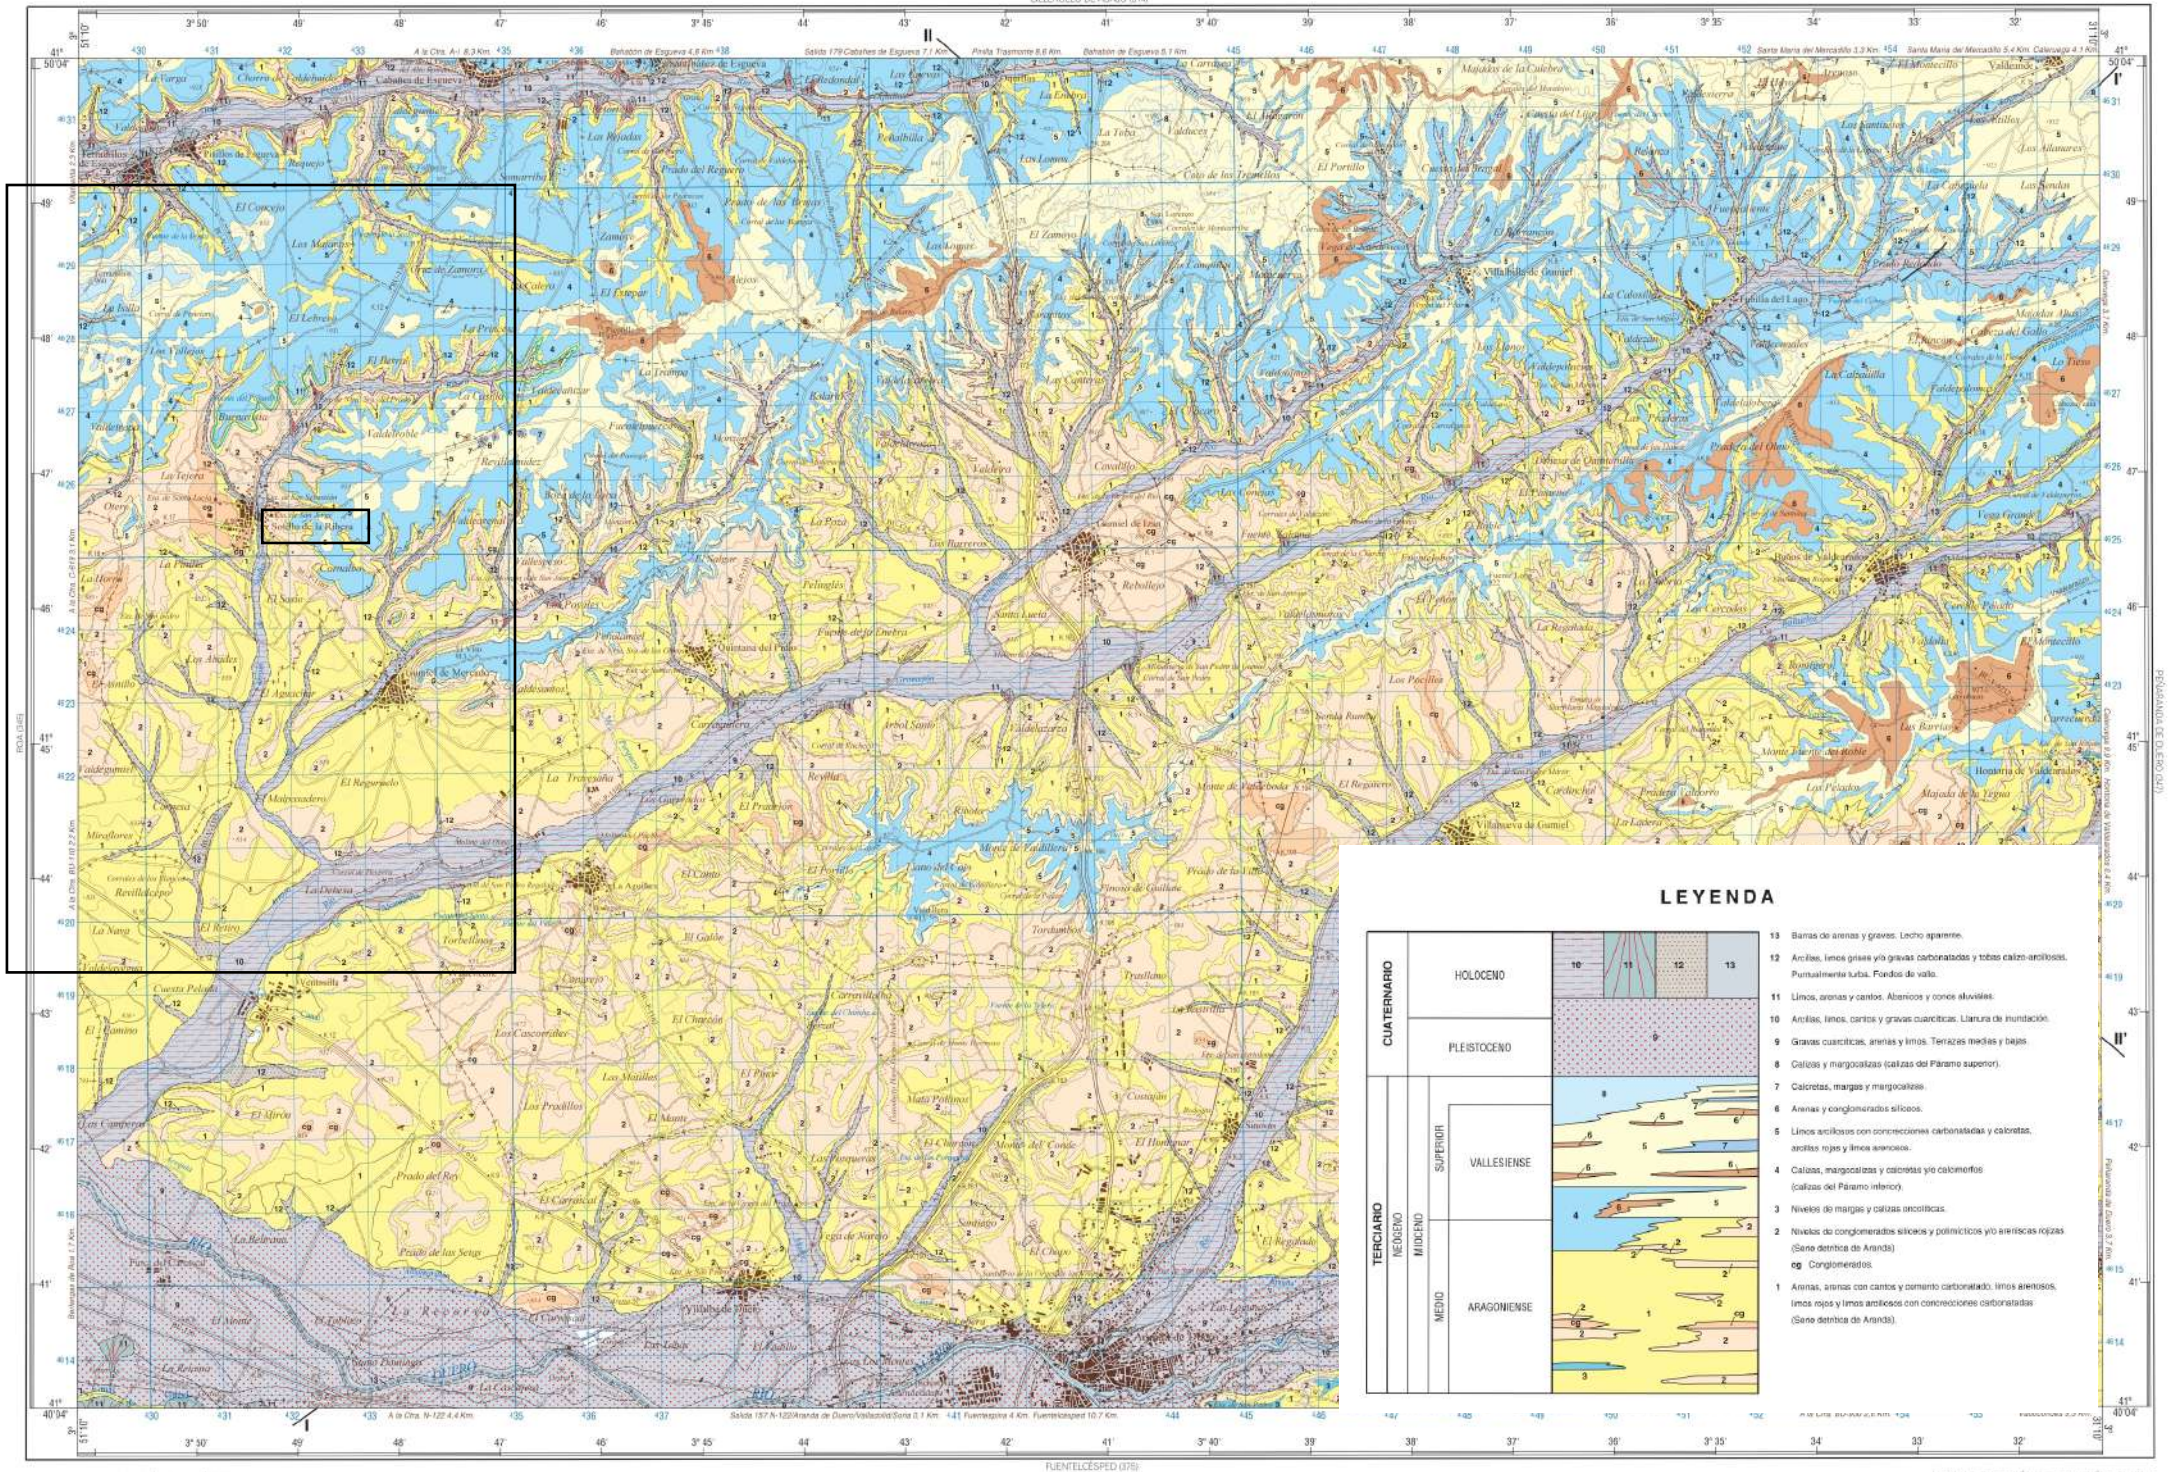

It is located in the small village of *Sotillo de la Ribera*, on the northern edge of the Duero river basin, in a privileged environment, due to its high altitude (830 - 930 m), where the highland of the highest areas, of limestone soils, they give way as we follow the erosion of the valley, to gravel soils (old river beds), sand in the pine area, and clays in the lower areas.

· SOTILLO DE LA RIBERA ·

930 m.

Our vineyard is formed by
27 plots distributed along the
Sotillo de la Ribera profile and
located in different places
forming **54,8** Ha in total.

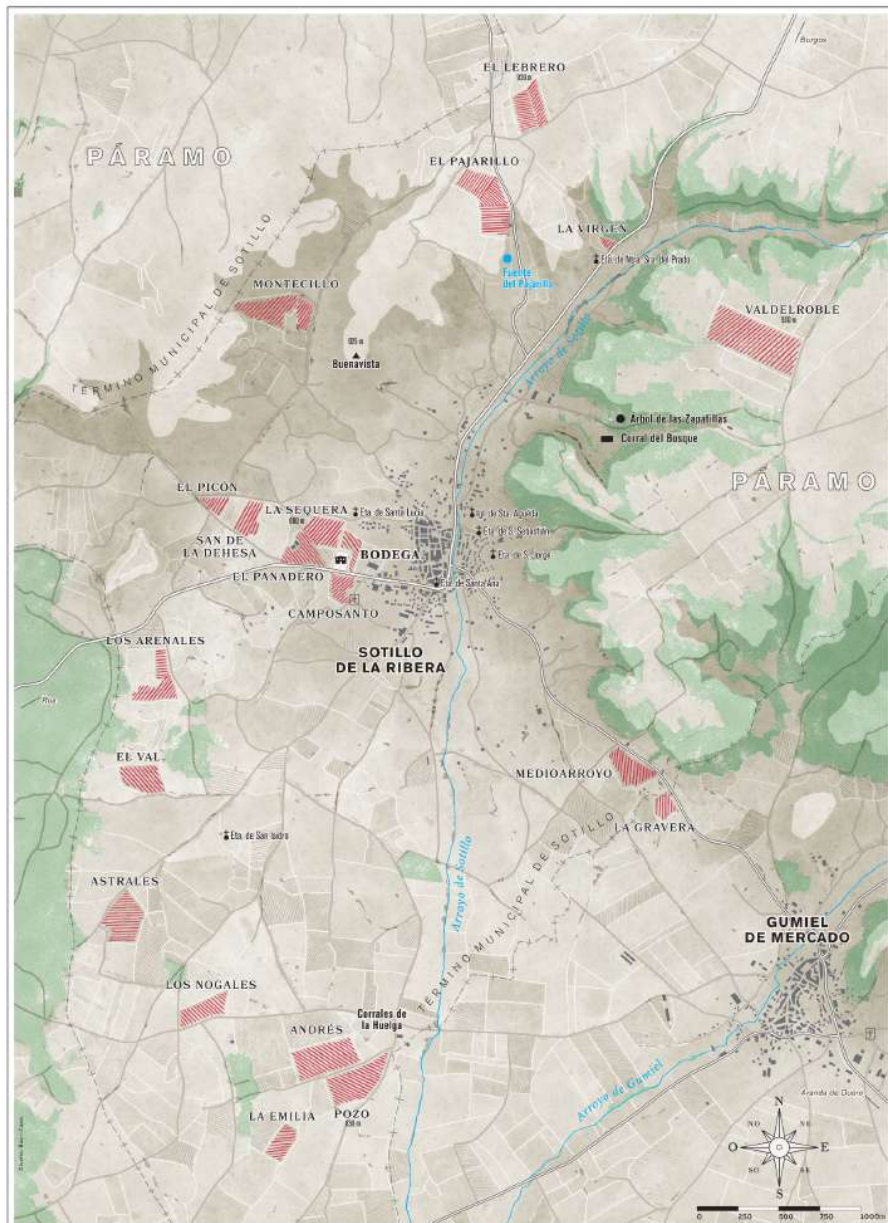

The handling in the winery accompanies the respect in the vineyard, with the manual harvest, double sorting table and work by gravity that allows to maintain the essence achieved in the vineyard.

**THIS EVOLUTION TOWARDS A
DEEPER UNDERSTANDING OF OUR
ENVIRONMENT IS THE ONE THAT
PUSHES US TO EXPRESS IT IN OUR
WINES, EACH ONE WITH OWN
IDENTITY, MARKED BY ITS ORIGIN OF
DIFFERENT SOILS.**

CRISTINA, JOSÉ FÉLIX, BEATRIZ and NOELIA

We introduce you:

MAJUELOS

“Fine wine for ageing made from Tinto Fino from the plots Arenales and Camposanto in Sotillo de la Ribera, located on marginal soils of sand and gravel with limestone bottoms, at 890 m. co-fermented with Garnacha (3%) from the Sotillo limestone moorland (páramo) at 920 m.”

José Félix y Noelia Callejo
Winemakers

Our landscape is located in the village of **Sotillo de la Ribera**, province of Burgos, on the northern edge of the Duero river basin, in a privileged environment, due to its high **altitude (830 - 930 m)**, where the moors (*páramo*) of the highest areas, with limestone soils, give way as we follow the erosion of the valley, to gravel soils (old river beds), sandy areas in the pine area, and clays in the lower areas .

terroir

VINEYARDS

- **Tinto Fino** from our vineyards:

Arenales (parte pinos) and Camposanto

- Tipe of soil: *Gravels*.
- Altitud: *870-890 m*.
- Yield: *1,9 kg/vine*.

- Manual picking in boxes of 12 kg capacity; two sorting tables. Gravity system.
- Natural yeast.
- Aging: 18 months in fûts 500 L.

Vintage 2022

INFORMATION

The 2022 vintage is considered the warmest in recent years. Rainfall was low and during the cycle from October 2021 to September 2022 only 297 mm of rain was recorded. This scarcity of water, together with some months of June and July with abnormally high temperatures both during the day and at night, caused an advance in the vine cycle of about 10 days compared to the previous year.

The harvest is brought forward to **September 8** with the aim of picking a fruit with good acidity and fresh character, to avoid overripeness. The altitude of our vineyards and management of the canopy with ripening under shade, has compensated for the warm climate of this vintage and we have obtained fluid and fresh wines. We feel very happy with the result!
